SECTION NO. 1  
STANDARD TERMS AND CONDITIONS

## STANDARD TERMS AND CONDITIONS

Item	Subject	Application
1	Usage	<p>All persons, firms, corporations, or others desiring to use any of the premises and/or facilities of the Port of Stockton shall obtain permission from the Port Director.</p> <p>On application and subject to availability of and prior arrangement made, the Port of Stockton at its option and convenience may grant the use of its premises, belt line trackage, open storage areas, piers, sheds, warehouses, land, equipment and such other facilities of the Port, as it may designate to individual firms, corporations, or others hereinafter referred to individually and collectively as "user" or "users", for such operations and/or uses as it may designate.</p> <p>For the issuance of such permission the Port of Stockton will assess the users a usage charge.</p> <p>Charges otherwise provided in the tariff for wharfage, dockage, handling, belting, storage, and for any other services or purposes assessed by the Port shall be in addition to the usage charge.</p> <p>The Port of Stockton and users may enter into a usage agreement. Permission to use Port premises granted can be revoked for violation of this tariff.</p> <p>All users of the premises and/or facilities granted the use of the Port of Stockton shall be subject to all of the terms and conditions of this tariff, and shall pay usage for the use of the Port of Stockton facilities at rates named under item No. 1403.</p>
2	Consent to Terms of Tariff	<p>Use of the Port of Stockton premises and/or facilities shall constitute a consent to all of the terms and conditions of this tariff and evidences an agreement on the part of any users of the premises and/or facilities of the Port of Stockton to pay all charges specified in this tariff and be governed by all rules, terms, conditions and legal actions shown in this tariff.</p>
3	Application and Interpretation	<p>Rates, rules, terms, conditions, and regulations contained in this tariff shall apply equally to all users on the effective date shown in this tariff and as amended.</p> <p>Revised pages shall be issued to cover changes in this tariff, however all rates and regulations in this tariff are subject to change without notice except as may be</p> <p>(Cont'd next page)</p>

## STANDARD TERMS AND CONDITIONS

Item	Subject	Application
3	Application and Interpretation of Tariff (Cont'd)	<p>required by law. The Director of the Port of Stockton shall be the sole judge as to the interpretation of this tariff. All decisions of the Port Director shall be binding on all users and are final.</p> <p>Any usage agreement and any premises, if any, described in usage agreements between users and PORT OF STOCKTON are and shall be at all times subject to all provisions and conditions of this tariff.</p>
4	Rights of Way	<p>The Port retains all Rights-of-way for streets, highways, railroads, sewers, pipelines, conduits and for telephone, telegraph, light, heat and power lines as may from time to time be determined to be necessary by the Port of Stockton, including the right to enter upon, above, below or through the surface to construct, maintain, replace, repair, enlarge or otherwise utilize the premises for such purpose, without compensation.</p>
5	Prior Easements	<p>Usage of Port property shall at all times be subject to all prior exceptions, reservations, grants, easements, leases, or licenses of any kind whatsoever as the same appear of record in the Office of the Recorder of San Joaquin County, California, or in the official records of the City or any of its various departments.</p> <p>The Port of Stockton retains all rights to occupy portions of the premises as may be necessary for drilling purposes and to use and grant others the right to use the same to drill for and produce oil or other hydrocarbon substances therefrom.</p>
6	Inspection	<p>Users must inspect the premises in contemplation of occupying them for the uses as outlined in the usage agreement.</p>
7	Suitability of Premises or Facilities and Changes	<p>Users agree that facilities, premises, including any improvements existing thereon covered by a signed letter of agreement, are suitable for users intended uses, and that no officer or employee of Port of Stockton has made any representation or warranty with respect to the premises, including improvements existing thereon unless the nature and extent of such representation or warranty is described in writing and attached to the letter of agreement.</p> <p>Any modification, improvement or addition to the premises and any equipment installation required by the Fire</p> <p>(Cont'd next page)</p>

## STANDARD TERMS AND CONDITIONS

Item	Subject	Application
7	Suitability of Premises or Facilities and Changes (Cont'd)	Department, Department of Building Safety, Air Pollution Control District, Regional Water Quality Control Board, Coast Guard, Environmental Protection Agency, or any other local, regional, state or federal agency in connection with users operations shall be constructed or installed at users sole expense, and shall be subject to approval by the Port of Stockton.
8	Holdover	Users shall not hold over all or any part of the premises after the termination or expiration of the agreement without first obtaining the approval in writing of the Port Director. Any such holdover shall be deemed an extension of the agreement on a month-to-month basis, at a rate of rent equal to one hundred twenty percent (120%) of the monthly rent for the last month of the term of the agreement (as extended, if applicable) and shall otherwise be upon the same terms and conditions as set forth in the agreement. In the event during any such holdover, Port of Stockton and user agree to extend the term of the agreement or enter into a new agreement for the same premises or for substantially the same premises described in the agreement, the usage fee for the period of any such holdover by user may be charged at the rate provided in such extension or new agreement.
9	Federal Maritime Commission Filing	All agreements may be submitted to the Federal Maritime Commission of the United States of America for either approval or a determination by such Commission that the agreement is not subject to the Shipping Act of 1916, as amended. In the event it is determined that the agreement is subject to said Act, then the agreement shall only become effective on the first day of the calendar month following approval. In the event the Commission determines that the agreement is not subject to said Act, then the term hereof shall commence on the date first written in the letter of agreement, and shall become retroactive to that date.
10	Payment of User Fees	User fee payments are due when invoiced. Charges which have not been paid within thirty (30) days of the date of invoice shall be subject to a finance charge of one and a half percent (1-1/2%) per month.
11	Records and Accounts	Users shall maintain locally a system of accounts and records satisfactory to Port Director, covering all transactions and operations conducted under the agreement, which shall be preserved during the life of the agreement and for three (3) months thereafter. The accounts and records shall be open and available at all reasonable times for (Cont'd next page)

## GENERAL TARIFF NO. 1

## STANDARD TERMS AND CONDITIONS

Item	Subject	Application
11	Records and Accounts (Cont'd)	examination, audit and transcription therefrom by Port of Stockton representatives.
12	Rate Guarantees	User fee's shall be as per tariff item No. 1403. Fee's can be guaranteed for a specific period, not to exceed 5 years. If no specific period is provided for in the letter of agreement, the rate shall in no case be considered guaranteed for more than one year.
13	Promotion of Port of Stockton Facilities	Users shall in good faith and with all reasonable diligence use their best efforts, suitable advertising and other means to promote the use of the premises granted by the agreement.
14	Supervision of Business Practices	<p>The nature and manner of conducting any and all business activities on the premises shall be subject to the tariff and reasonable regulation by the Port of Stockton. In the event such business is not conducted in a reasonable manner as determined by Port Director, he may direct that corrective action be taken by user to remedy such practices and upon failure to comply therewith, Port of Stockton may declare the agreement terminated.</p> <p>Users shall also conduct their business in a first-class manner. Users shall furnish and maintain a standard of service at least equal to that of the better class of similar businesses providing similar services and facilities in the City of Stockton and adjacent communities during the entire term of the agreement.</p> <p>Port of Stockton reserves the right to have access to and inspect the schedule of rates and prices for services and facilities performed or provided upon the premises. In the event that after user has been advised and given a reasonable opportunity to confer with Port of Stockton and to justify any rate or price challenged by it as unreasonable or noncompensatory, and Port of Stockton has determined such rate or price to be unreasonable or inappropriate for the services rendered or the facilities provided, such rates or prices shall be modified by users as directed by Port of Stockton.</p>

## STANDARD TERMS AND CONDITIONS

Item	Subject	Application
15	Business Curtailment	For any period during which user has ceased or substantially curtailed the operation and conduct of its business under the agreement for reasons other than partial or total destruction of the premises, user shall pay usage for that period at the regular rate.
16	Permitted Uses	Facilities for which usage has been granted by a letter of agreement or this tariff shall be used only for those purposes designated. Users shall not use or permit the premises or any part thereof to be used in whole or in part for any other purpose without the prior written approval of Port Director or his representative, and subject to such restrictions, limitations and conditions as may be imposed by Port of Stockton. Use of such premises for other purposes without prior written approval from the Port Director shall make user liable to triple the current usage rate as found in item 1403.
17	Increased Insurance Rates	Users shall not use the premises in any manner, even if its use is for the purposes enumerated in the letter of agreement, that will increase the premium rate of insurance for the premises, adjacent premises, or that will cause cancellation of any insurance policy covering such premises. Users shall not keep on the premises or permit to be kept, used, or sold thereon, anything prohibited by any policy of fire insurance covering premises.
18	Shipping Act	Notwithstanding any other provision contained in the letter of agreement, users shall not use the premises hereby granted or furnish any facilities or services thereon for or in connection with a common carrier by water as that term is defined in the Shipping Act, 1916, as amended, unless and until an agreement has been submitted to the Federal Maritime Commission pursuant to Section 15, Shipping Act, 1916, and has either been approved or determined not to be subject to said Act.
19	Default and Right to Terminate	Upon the neglect, failure or refusal by the user to comply with any of the terms or conditions of the tariff Port of Stockton may, at its option, declare the agreement forfeited, and exclude user from further use of Port premises. Upon such forfeiture, user shall immediately surrender all rights in and to the premises and all improvements. Upon such forfeiture, any and all buildings, structures and improvements of any character whatsoever, erected, installed or made, through, or because of, or pursuant to the terms of the agreement, or any prior agreement shall immediately ipso facto either become the property of the Port of Stockton free and clear of any claim of any kind (Cont'd next page)

## STANDARD TERMS AND CONDITIONS

Item	Subject	Application
19	Default and Right to Terminate (Cont'd)	or nature of user or its successors in interest, or become removable by Port of Stockton at the sole expense of the user, at the option of the Port Director. In the event the agreement is terminated as set forth above, Port of Stockton may enforce all of its rights and remedies under the agreement, including the right to recover charges as it becomes due pursuant to the terms of the tariff and the agreement and, in addition thereto, the damage that Port of Stockton may recover includes the worth at the time of the award of the amount by which the unpaid charges for the balance of the term of the agreement. The Port shall also have the right, without declaring the agreement terminated, to reenter said premises and occupy, relet or sublet the whole or any part thereof for and on account of users and to collect user fees and other sums that may thereafter become due and payable; or simply to collect user fees and other sums, as they become due and payable; or to reenter said premises and collect the user fees as above and thereafter elect to terminate the agreement and all of the rights of said user in or to said premises.
20	Thirty-Day Nonuse	If user fails or ceases to use the premises or any portion thereof for the purposes and in the manner as described in the tariff or the letter of agreement prescribed for a period of more than thirty (30) consecutive days without the consent of Port of Stockton, the Port Director may declare the agreement forfeited in accordance with the provisions of item 19 "Default and Right to Terminate" and thereupon all the right, title and interest of user shall cease and terminate; provided, however, if cessation of or failure to use is caused by reason of war, bona fide strikes not caused by user or to which user is not a party, riots, civil commotion, acts of public enemies, earthquake, other natural disaster or action of the elements, and user so notifies the Port of Stockton with ten (10) days from the date said period of cessation or failure to use began, such period of nonuse shall be excluded in computing the thirty (30) day period set forth in this item.
21	Termination by Court Decree	In the event that any court having jurisdiction in the matter shall render a decision which has become final and which will prevent the performance by Port of Stockton of any of its obligations under the agreement, then either party may terminate the agreement by written notice, and all rights and obligations (with the exception of any undischarged rights and obligations that accrued prior to the effective date of termination) shall thereupon terminate.

## GENERAL TARIFF NO. 1

## STANDARD TERMS AND CONDITIONS

Item	Subject	Application
22	Termination by Destruction of Premises	In the event the premises, or the building in which they are situated, are totally destroyed by fire not resulting from users neglect of fault, earthquake, or other natural disaster or action of the elements, or so nearly destroyed as to require rebuilding, during the term of the agreement, then the usage charge shall be paid up to the time of such destruction and the agreement shall thereupon terminate. Neither party shall have any further rights or be under any further obligations on account of the agreement, except the Port of Stockton shall be entitled to receive all charges accrued to the date of destruction. Damage or injury to the extent of Fifty (50%) percent of the replacement value of the premises shall constitute a total destruction thereof.
23	Improvements	The construction or alteration of works, structures and other improvements, including change of grade, agreed to between user and the Port shall be commenced within ninety (90) days of the effective date of the agreement and shall be prosecuted diligently to completion by user.
24	Approval of Plans	Users shall not construct or alter any works, structures or other improvements upon Port premises, including a change in the grade thereof, without first submitting to the Port Director a complete set of drawings, plans and specifications therefor and obtaining his approval. The Port Director shall have the right to order changes in said drawings, plans and specifications. In the event that the Port Director orders such a change and user believes that such a change will have any detrimental effect on the structural integrity of the work, structure or improvement, or increase any hazard to life or property, user shall immediately notify him thereof. In the event that user fails to do so, the drawings, plans and specifications shall be treated for all purposes as if they had been originally prepared by user, as changed.
25	Compliance with Applicable Laws	All operations, work, structure or improvement constructed, or alteration or change of grade, by user shall conform with the plans and specifications as approved by the Port Director and shall conform in all respects to the applicable Federal, State, regional, and local laws, statutes, ordinances, rules and regulations. The approval of operations, plans, construction or other work by the Port Director shall not constitute a representation or warranty as to conformity with applicable laws, statutes, ordinances or rules and regulations.

## GENERAL TARIFF NO. 1

## STANDARD TERMS AND CONDITIONS

Item	Subject	Application
26	Cost of Permits	Users, at their own expense, shall obtain all permits necessary for work or construction and shall require by contract that any work or construction contractors and subcontractors comply with all applicable Federal, state, regional, and local statutes, ordinances, rules and regulations.
27	Cost of Construction	All construction by users shall be at users sole expense. Users shall keep the premises and improvements constructed thereon free and clear of liens for labor and materials and shall hold Port of Stockton harmless from any responsibility in respect thereto. Users shall give written notice to Port Director, in advance, of the date if they commence any construction. Immediately upon the completion of the construction, users shall notify the Port Director of the date of such completion and shall, within thirty(30) days after such completion, file with him a statement, verified by the oath of user or its duly authorized representative, setting forth the cost of the labor and material used. Users shall also file with the Port Director, in a form acceptable to the Port Director, a set of "as built" plans for construction.
28	Ownership	All improvements, works and structures made or erected by users upon the premises remain the property of users subject to the terms and conditions contained in the letter of agreement, unless otherwise agreed upon.
29	Maintenance and Restoration	Except for roofs and exteriors of buildings owned or under the control of the Port of Stockton and except as may otherwise be specifically provided in writing, users shall repair, maintain and keep the premises (including landscaping) and all works, structures and improvements thereon, whether a part of the premises or made by users, in a safe, clean, wholesome, sanitary and sightly condition and in conformance with all applicable Federal, state, regional, municipal and other laws and regulations. The appearance of the premises shall be maintained to satisfaction of Port Director. Users shall not permit any offensive or refuse matter or any substance constituting an unnecessary, unreasonable or unlawful fire hazard, or material detrimental to the public health to be or remain on the premises, and users shall prevent any such matter or material from being or accumulating thereon. In the event users fail to repair, maintain and keep the premises and

29	Maintenance and Restoration (Cont'd)	improvements as hereinabove required, Port Director may give written notice to users to correct such default, except that no notice shall be required where, in the opinion of the Port Director, the failure creates a hazard to persons or property. If users fail to cure such default within the time specified in such notice, or if the Port Director determines that a hazard to persons or property exists due to such failure, the Port Director may cause such repairs or maintenance to be made and the costs thereof, including labor, materials, equipment and administrative overhead, to be charged against users. Such charges shall be due and payable when invoiced.
30	Surrender of Premises	On or before expiration of the term of the agreement, or any sooner termination thereof, users shall surrender all rights in and to the premises and all permanent buildings and/or structures of any character whatsoever, erected, installed or made, under, through or because of, or pursuant to the terms of this Agreement, or any prior agreement to the Port and said permanent buildings and/or structures shall ipso facto become the property of the Stockton Port District, free and clear of any claim of any kind or nature of user or its successors in interest, or, at the Port's option, Port can require user to remove, at its sole cost and expense, such works, structures, improvements and pipelines of any kind whatsoever placed or maintained on the premises by user unless otherwise provided, and in such case where Port required removal, user shall leave the surface of the ground in a level, graded condition with no excavations, holes, hollows, hills or humps. Upon the expiration of the term of this Agreement or any sooner termination thereof, user shall quit and surrender possession of the premises to Port in at least tor, as the same were in at the time of the first occupation thereof by user under this or any prior agreement, lease or permit, ordinary wear and tear excepted. User shall remove all debris from areas within the premises.

35	Insurance (Cont'd)	Other Conditions
----	-----------------------	------------------

All insurance required by express provisions of this tariff shall be carried only with responsible insurance companies licensed to do business in California and which have a Best's rating of "A VIII" or better. All such policies shall be non-assessable and shall contain language, to the extent obtainable, to the effect that (i) any loss shall be payable notwithstanding any act or negligence of Port that might otherwise result in a forfeiture of the insurance, (ii) the insurer waives the right of subrogation against the Port and against the Port's agents and representatives, (iii) the policies are primary and noncontributing with any insurance that may be carried by the Port, and (iv) they cannot be cancelled or materially changed except after thirty (30) days' notice by the insurer to the Port. Before using premises or facilities of the Port, user shall furnish Port with copies of all such policies or with certificates evidencing the insurance and naming Port as additional insured, where applicable.

(2) If user fails or refuses to procure or to maintain insurance as required by this tariff or fails or refuses to furnish Port with required proof that the insurance has been procured and is in force and paid for Port shall have the right, at Port's election and on fifteen (15) days' notice, to procure and maintain such insurance. The premiums paid by Port shall be treated as an added usage charge due from user.

Port's right to procure and maintain insurance as provided herein shall not limit any other remedies of Port. Without limiting the foregoing, Port shall have the right to terminate user's right to use Port premises and facilities if user does not comply in all respects with user's obligations under this Item 35.

(3) Each policy must also contain an endorsement reading as follows:

"Notwithstanding any inconsistent statement in the policy to which this endorsement is attached or any endorsement or certificate now or hereafter attached hereto, it is agreed that the Stockton Port District, it's Board of Port Commissioners, their officers,

## STANDARD TERMS AND CONDITIONS

Item	Subject	Application
38	Terms Binding on Successors	All the terms, covenants and conditions of the agreement shall enure to the benefit of and be binding upon the successors and assigns of the parties of the agreement. The provisions of this Subsection shall not be deemed as a waiver of any of the conditions against assignment hereinabove set forth.
39	Transfer of Stock	If, during any calendar year after the filing of the application for the agreement, more than ten percent (10%) of the outstanding shares of capital stock of user is traded, user shall notify the Port Director in writing within ten (10) days after the transfer date provided, however, that this provision shall have no application in the event user is a corporate entity whose stock is listed on either the American Stock Exchange, the New York Stock Exchange, or the Pacific Coast Stock Exchange.
40	Assignee as User	The term "user" shall include any assignee of user under any assignment granted by Port of Stockton.
41	Applicable Law	It is expressly understood and agreed that any agreement and all questions arising thereunder shall be construed according to the laws of the State of California.
42	Compliance With Applicable Laws	<p>Users shall, at all times, in its use and occupancy of the premises and in the conduct of its operations thereon, comply with all laws, statutes, ordinances, rules and regulations applicable thereto, enacted and adopted by Federal, state, regional, municipal or other governmental bodies, or departments or offices thereof. In addition to the foregoing, users shall comply immediately with any and all directives issued by the Port Director or his authorized representative under authority of any such law, statute, ordinance, rule or regulation.</p> <p>Users agree not to discriminate in their employment practices against any employee or applicant for employment because of the applicant's race, religion, national origin, ancestry, sex, age or physical handicap. All subcontracts awarded under or pursuant to the agreement shall contain this provision.</p>

Item	Subject	Application
43	License Fees and Taxes	Users shall pay all taxes and assessments of whatever character levied upon or charged against the interest of users, if any, created by the agreement in the premises or upon works, structures, improvements or other property thereon, or upon users operations hereunder. Users shall also pay all license and permit fees required for the conduct of its operations hereunder. No payments of taxes or assessments or both shall be prorated for any period of time during a usage agreement which is less than a full calendar year. For permitted installment payments, users shall pay all installments falling due during the term of the applicable usage agreement. If such payments falling due during the term of such usage agreement are for periods prior to or after expiration of such usage agreement, users shall make all such payments and may seek reimbursement only from the taxing or charging authority and not from the Port.
44	Invalidity	If any term or provision of the agreement or the tariff or the application thereof to any person or circumstance shall be held invalid or unenforceable to any extent by a final judgment of any court of competent jurisdiction, the remainder of the agreement or the tariff or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and shall continue in full force and effect.
45	Waiver of Claims	Users hereby waive any claim against Port of Stockton, its officers, agents or employees for damages or loss caused by any suit or proceedings directly or indirectly challenging the validity of the agreement, the tariff, or any part thereof, or by any judgment or award in any suit or proceeding declaring the agreement null, void or voidable or delaying the same or any part thereof from being carried out.
46	Conflict of Interest	It is hereby understood and agreed that all users have read and are aware of the provisions of Section 1090 et seq. and Section 87100 et seq. of the Government Code relating to conflict of interest of public officers and employees. All parties agree that they are unaware of any financial or economic interest of any public officer or employee of Port of Stockton relating to the usage agreement. Notwithstanding any other provision of the agreement, it is further understood and agreed that if such a financial interest does exist at the inception of the agreement, the Port of Stockton may immediately terminate the agreement by giving written notice thereof.

47	Visitors	Users shall allow Port Director and his designated representatives access to the premises for the purpose of showing the premises and works, structures and improvements made by users to visitors upon the giving of reasonable notice to users, provided, however, that such entry shall not unreasonably interfere with users operations.
48	Attorneys' Fees	If either party brings any action or proceeding to enforce, protect, or establish any right or remedy arising out of or based on use of Port premises, or the usage agreement, including but not limited to the recovery of damages for its breach, the prevailing party in said action or proceeding shall be entitled to recovery of its costs and reasonable attorneys' fees. In the event Port of Stockton is the prevailing party and has been entirely or partly represented by its legal counsel, then Port of Stockton shall be entitled to recover an amount equal to the costs attributable to such representation.
49	Notices	In all cases where written notice is to be given under the tariff or a usage agreement, service shall be deemed sufficient if said notice is deposited in the United States mail, postage prepaid. When so given, such notice shall be effective from the date of mailing of the same. For the purpose hereof, unless otherwise provided by notice in writing from the respective parties, notice to Port of Stockton shall be addressed to Port Director, Port of Stockton, P. O. Box 2089, Stockton, CA 95201, and notice to user shall be addressed to it at the address set forth in the letter of agreement. Nothing herein contained shall preclude or render inoperative service of such notice in the manner prescribed by law.
50	Waivers	No waiver by either party at any time of any of the terms, conditions, covenants or agreements of any usage agreement shall be deemed or taken as a waiver at any time thereafter of the same or any other term, condition, covenant or agreement contained in the tariff or the letter of agreement, nor of the strict and prompt performance thereof by the proper party. The subsequent acceptance of usage charges by Port of Stockton shall not be deemed to be a waiver of any other breach by user of any term, covenant or condition of the tariff or any usage agreement other than the failure of user to timely make the particular payment so accepted, regardless of Port of Stockton's knowledge of such other breach. No delay, failure or omission of either party to execute any right, power, privilege or option arising from any default, nor subsequent acceptance of guarantee than or thereafter accrued, shall impair any such right, power, privilege or option, or be construed to be a (Cont'd next page)

Item	Subject	Application
79	Notification - Hazardous Substances	<p>Effective January 1, 1988, California state law requires a lessee of real property to give <u>written</u> notice to its landlord if the lessee knows or has reasonable cause to believe that any hazardous substance (as defined in California Health &amp; Safety Code, Section 25316) has come to be located on or beneath that real property. (Cal. Health &amp; Safety Code, Section 25359.7 (b) (1)) Moreover, if lessee has actual knowledge of the presence of a hazardous substance and fails to give notice, lessee may be subject fo a fine of up to \$5,000 per violation. (Cal. Health &amp; Safety Code, Section 25359.7 (b) (2)).</p> <p>Lessee should notify the Port <u>immediately</u> of the presence of any hazardous substance on or beneath leased property. Lessee must also give notice of the presence of any hazardous substance not clearly known to the Port and any release of a known hazardous substance into the environment.</p> <p>All notices submitted pursuant to these provisions shall be <u>in writing</u> to the attention of the Port Director.</p>
80	Ship Emergency Response	<p>In the event of a ship emergency, including but not limited to fire, oil spillage, loss of power, grounding, or any other cause requiring assistance from the Port, all attendant costs thereto shall be billed to and collected from the vessel or vessel agent, as appropriate.</p>
81	No Easements for Light, Air or View	<p>No easements for light, air or view may be granted to any user in any usage agreement. Accordingly, any diminution or shutting off of light, air or view by any structure which may be erected on lands in the vicinity of the premises described in any usage agreement shall in no way affect any such usage agreement or impose any liability upon the Port.</p>
82	Nondelivery of Possession	<p>If for any reason the Port cannot deliver possession of the premises described in any usage agreement to a user on the date promised, the Port shall not be subject to any liability therefor, nor shall such failure affect the validity of the usage agreement or the obligations of said user thereunder, but in such case, the usage fee shall be abated from the date promised until the Port delivers possession of the premises to said user; provided, however, that if the Port shall not have delivered possession of the premises within ninety (90) days from the promised date, said user may, at said user's option, by written notice to the Port, revoke the usage agreement.</p>

83	Late Charge	If any user fees due from users are not received by the Port when due, users shall pay to the Port, in addition to any interest otherwise payable pursuant to this Tariff or the applicable usage agreement, an additional sum of five percent (5%) of the overdue user fees as a late charge.
84	Waivers of Liability	The Port shall not be liable to users for any damage to users or their successors, assigns, agents, servants, employees, contractors, sublicensees, licensees or invitees or the property of any of the foregoing from any cause, except where such damage is caused by the Port's, or its agents' or employees', gross negligence or willful misconduct. Users waive all claims against the Port for damage to persons or property arising for any reason, except such claims arising by reason of the Port's, or its agents' or employees', gross negligence or willful misconduct.
85	Approval of General Contractor	Users shall not construct or alter any works, structures or improvements upon Port premises without first furnishing the Port with a true copy of users' proposed contract with the general contractor and with evidence of the general contractor's financial condition for the Port's approval. The final contracts shall give the Port the right but not the obligation to assume users' obligations and rights under such contracts if the users should default.
86	Performance Bonds	No major construction shall be commenced upon Port premises by users until users have secured and submitted to Port, at said users' sole cost and expense, a performance bond and labor and material bonds in the amount of the total estimated construction cost of the improvements to be undertaken by said users. The Port must be expressly named as an additional obligee or beneficiary under said bonds with all rights and privileges of said user thereunder. All bonds must be issued by a company qualified to do business in the State of California and must be in a form acceptable to the Port.
87	Estoppel Certificates	Users shall at any time upon not less than ten (10) days' prior notice from the Port execute, acknowledge, and deliver to the Port certificates (i) certifying that their applicable usage agreement is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that the agreement, as so modified, is in full force and effect) and the date to which the user fees, deposits and other charges are paid in advance, if any (ii) acknowledging that there are not, to users' knowledge, any uncured defaults on the part of the Port hereunder, or specifying such defaults, if any, which are claimed and (iii) certifying any other information con- (Cont'd next page)

87	Estoppel Certificates (Cont'd)	cerning the agreement or the premises reasonably requested by the Port. Any failure to deliver such certificate within the required time shall be conclusive upon users (i) that the agreement is in full force and effect, without modification except as may be represented by the Port, (ii) that there are no uncured defaults in the Port's performance, (iii) that not more than one (1) month's user fees have been paid in advance and (iv) that all other information concerning the agreement and the premises reasonably included by the Port in such certificate is true and correct.
88	Indemnification for Hazardous Materials	Users shall not cause or permit any Hazardous Materials (as herein defined) to be brought upon, kept or used in or about Port premises in a manner or for a purpose prohibited by any applicable law, regulation, rule or ordinance. Users shall comply with all affirmative legal requirements concerning Hazardous Materials. If users breach such obligations, or if the presence of Hazardous Materials on Port premises caused or permitted by users results in a release of a Hazardous Material, a discharge of a pollutant or contaminant or any other contamination of Port premises resulting in a potential violation of or incurrance of liability under any applicable law, regulation, rule or ordinance, or if contamination of Port premises by a Hazardous Material otherwise occurs for which a user is liable to the Port or any third party, including without limitation, any governmental agency, under any principal of law or equity, whether contractual, statutory or otherwise, for damage resulting therefrom, then users shall indemnify, protect, save, defend and hold the Port and the Board of Port Commissioners, their agents, contractors, officers, representatives and employees harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities, injunctive actions or orders, or losses (including without limitation attorneys' fees) which arise during or after the term of the agreement as a result of such contamination. The indemnification of the Port by users shall include, without limitation, costs incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Materials present in the soil or ground water on or under the premises or emanating from the premises. If the presence of any Hazardous Materials on the premises caused or permitted by said user results in any contamination of Port premises, said user shall promptly take all actions, at said user's sole expense, as are necessary to return the applicable premises to the substantially the same condition as they existed prior to the introduction of any such Hazardous Materials.

89	Use of Hazardous Materials	Users shall deliver to the Port prior to occupying Port premises a list identifying each type of Hazardous Materials to be present on Port premises and setting forth any and all governmental approvals or permits required in connection with presence of Hazardous Materials on Port premises ("Hazardous Materials List"). Users shall deliver to the Port an updated Hazardous Materials List at least once a year and shall also deliver an updated list before any new Hazardous Materials are brought onto Port premises or on or before the date users obtain any additional permits or approvals.
90	Environmental Audit	From time to time during the term of any usage agreement, at the Port's written request, which requests shall be delivered no more often than once each calendar year, users shall prepare, at said users' sole cost and expense, an environmental audit of the applicable Port premises (the "Audit") prepared by a qualified, licensed and independent environmental consultant or engineer, reasonably acceptable to the Port, which Audit shall be delivered to the Port within a reasonable time after said users' receipt of Port's request to prepare such Audit. The Port may notify said users of deficiencies in the Audit or of actions to be taken by said users to respond to matters addressed in the Audit. Users shall respond in writing to any such notification within a reasonable time after receipt. If, in the Port's sole discretion, the Audit remains deficient, the Port may prepare or cause to be prepared a new or revised Audit at said users' sole expense. Users shall permit the Port or its agents all reasonable access to Port premises and to users' operations and records to allow an Audit to be conducted. The term "environmental audit" or "Audit" as used herein shall mean a survey and report addressing user's compliance with all applicable environmental laws, rules, regulations or orders. The Audit will be conducted in accordance with all then accepted environmental auditing practices. At a minimum, the Audit shall contain the following: (1) a review of users' records to determine if any unpermitted or unauthorized releases of Hazardous Materials have occurred; (2) a report of all such releases, the circumstances surrounding them, and the steps taken to correct or respond to them; (3) a review of users' industrial processes and activities to ensure that all necessary permits and other authorizations have been obtained and are current; (4) a list and copies of all such permits; and (5) all other information relevant to users' compliance with all applicable environmental laws, rules, regulations or orders including, as relevant: total water consumption; an inventory of Hazardous Materials used in users' operation, including the total amounts brought (Cont'd next page)

WAREHOUSE RULES AND REGULATIONS

## GENERAL TARIFF NO. 1

## WAREHOUSE RULES AND REGULATIONS

Item	Subject	Application
101	Tender For Storage	<p>(a) All merchandise for storage shall be delivered at the warehouse properly packaged and marked for handling. The storer shall furnish at or prior to such delivery, a manifest showing marks, brands, or sizes to be kept and accounted for separately; otherwise the merchandise shall be placed in storage unassorted and will be charged for accordingly.</p> <p>(b) The word "lot" as used herein means the unit or units of merchandise for which a separate account is to be kept by the warehouseman. Delivery of any or all units of a lot shall be made without subsequent sorting except when requested by the storer and subject to a charge.</p> <p>(c) The warehouseman undertakes to store and deliver merchandise only in the original package in which received.</p> <p>(d) The warehouseman shall not be required to accept for storage any commodity which will affect the rate of insurance on other merchandise in storage.</p> <p>(e) The warehouseman reserves the right to move, at his own expense and upon notice sent by mail to the storer of record, merchandise in any room of the warehouse to another room in said warehouse.</p>
102	Storage Period	<p>(a) Except as otherwise provided, rates are based on the first-of-month balance system. The first month's storage will be assessed on the date the first portion of a lot is received. Merchandise remaining in the warehouse on the first day of the following month will be assessed the applicable monthly charge as noted herein. (See Exception)</p> <p style="padding-left: 40px;">EXCEPTION: Merchandise received at the warehouse on or after the 25th day of any month will not be charged until the first of the following month, provided the merchandise remains on hand that next month.</p> <p>(b) Merchandise may be stored on a month to month basis at Warehouseman's option. A storage month shall extend from a date in one calendar month to, but not including, the same date of the next and all succeeding calendar months, but if there be no corresponding date in the next succeeding calendar month it shall extend to and include the last day of that month.</p>

102	Storage Period (Cont'd)	<p>(c) Unless otherwise provided, the warehouseman may, upon written notice to the storer of record and to any other person who has notified the warehouseman in writing that he claims an interest in the merchandise, require the removal of any merchandise by the end of the next succeeding storage month. Such notice shall be given by delivery in person or by registered letter addressed to the last known place of business or abode of the person or persons to be notified.</p>
103	Application of Rates	<p>(a) Rates named in this tariff apply only to commodities accepted by the warehouseman subject to prior storage arrangements, and of character and condition, and in packages permitting storage and handling under reasonable warehousing conditions, and subject to availability of suitable warehouse space.</p> <p>(b) All charges for storage are on a month to month basis unless otherwise provided. Charges for any particular lot shall begin at the receipt of the first unit of that particular lot in store and shall continue and include the storage month during which the last unit of the particular lot is delivered. All charges for storage are due on the first day of a storage month and all other charges are due when incurred.</p> <p>(c) Goods are not insured nor do storage rates include insurance unless so specified in writing.</p> <p>(d) At warehouseman's option contract storage agreements may be negotiated between the Warehouseman and individual storers, subject to Rules 114 and 115 covering Liability and Warehousemen's Responsibility, and Valuable Merchandise.</p> <p>(e) Except as otherwise provided in this tariff, Warehouse Rates for Storage, Handling, and Accessorial Services will be quoted upon request, and shall be based upon type of cargo involved, services required, and level of wages prevailing at time of quotation.</p>
104	Handling	<p>(a) Handling charges cover the ordinary labor and duties incidental to receiving goods at warehouse door, stowing and delivering to warehouse door, but do not include unloading or loading of cars, vehicles or vessels, unless so specified. Handling charges will be billed with the storage for the first month.</p>

## SERVICE AND FACILITIES CHARGES

Item	Subject	Rates and Conditions
301	Service and Facilities Charge (Subject to Notes 1, 2 and 3)	<p>Service and Facilities Charge is the charge assessed against vessels, their owners, agents or operators which load or discharge cargo at the terminals for the use of terminal working areas in the receipt and delivery of cargo to and from vessels and for services in connection with the receipt, delivery, checking, care, custody and control of cargo required in the transfer of cargo.</p> <p>(a) From vessels to consignees, their agents or connecting carrier, or (b) From shippers, their agents or connecting carriers, to vessels.</p> <p>The foregoing does not include any services or facilities the charge for which is included in wharfage, dockage, wharf demurrage, wharf storage, or other individual charges.</p> <p>No person other than the Port of Stockton shall be permitted to perform the services covered by this item.</p> <p>NOTE 1: Service and facilities charge does not include any cargo handling, loading nor unloading operations, nor any labor other than that which is essential to performing the service. Clerks and labor required to check and sort cargo which vessel operator has not sorted according to steamship bill of lading at the time of discharge from the vessel, will be charged to the vessel at the man-hour rates named in Item 600, Port of Stockton Terminal Tariff No. 5 for the time consumed plus charges for the use of equipment.</p> <p>NOTE 2: Where the contract of affreightment establishes the responsibility as between the parties thereto for the payment of the service and facilities charge named in this tariff, such charge shall be borne by whomever shall be determined to be responsible under the contract of affreightment, but the full amount of such charge shall be billed to and paid by the vessel, its owners, agents or operators, to the terminal. Allocation or adjustment of this charge between vessel and cargo shall be made solely by the parties to the contract of affreightment, in accordance with the terms of such contract.</p> <p>The term "Contract of Affreightment" as used herein shall mean tariff, charter party, ocean rate or</p>

POLLUTION PREVENTION

Item	Subject	Rates and Conditions
1201	Pollution Prevention and Control	<p>In order to effectively monitor compliance with governmental pollution control standards for handling of both liquid and dry bulk cargoes, the Port of Stockton maintains a Pollution Monitoring and Prevention Program. A secondary purpose of this program is to ensure both the Port's and cargo owner's minimal exposure to risk should an accident or spill occur.</p> <p>The charge for this service is \$0.327 per metric ton of cargo discharged or loaded.</p>
1202	Stormwater Discharge	<p>In order to ensure compliance with federal and state regulations associated with monitoring and testing stormwater discharge, and to defray the cost attendant thereto, the Port will assess a fee of one-half (1/2 ¢) per square foot of rental space monthly to all tenants other than those importing or exporting dry or liquid bulk cargoes across port wharves (see item 1201). For purposes of this part, an importer or exporter is defined as having shipped liquid or dry bulk cargoes across port wharves within the current calendar year.</p>
1203	Monitoring of Loading and Unloading Operations	<p>Each tenant, stevedore, or other responsible party is required to monitor, or cause to be monitored, each of its material loading and unloading operations at the Port of Stockton which have a reasonable potential to cause a discharge into the Stockton Deepwater Channel or the San Joaquin River and that could adversely affect water quality. The terms "monitor" and "monitored" as used in this Item, are defined to include visual observation and water quality analysis. The requisite water quality analysis shall include sampling the receiving waters for relevant pollutants. Prior to conducting any loading or unloading of material, each tenant, stevedore, or other responsible party shall submit a plan for monitoring to the Port Director for approval.</p>
