35	Ocean Terminal	The term "Ocean Terminal" as used herein refers to the wharves designed to accommodate ocean-going vessels and other facilities subject to this tariff adjacent thereto operated by the Port of Stockton.																		
40	Outbound Cargo	That which is being or has been assembled and is awaiting loading to a vessel.																		

TERMINAL TARIFF NO. 5

DEFINITIONS OF TECHNICAL TERMS

Item	Term	Definition
45	Palletized Stowed Units	<p>Cargo loaded on pallets, platforms or skids forming a single unit, that has been prepared by the shipper at other than on terminal premises, and which can be handled with mechanical equipment; received from shipper, loaded to and stowed in vessel and discharged from vessel's stowage and delivered to consignee in unbroken units. (Does not apply to cargo palletized on vessels while berthed at terminal facilities.) When received from shipper at the terminal, cargo must be designated on all shipping papers as "Palletized Stowed Units", and when delivered to consignee at the terminal, cargo must be designated on inward vessel manifest and ocean bill of lading as "Palletized Stowed Units". The weight of the pallets, platforms or skids will be excluded when computing the weight on which charges are assessed.</p> <p>EXCEPTION: Will also apply on export cargo palletized ex rail car or ex truck by the Port of Stockton when the cargo is stowed in the vessel on these pallets.</p>
50	Ton	<p>(a) The term "ton" means 2,000 pounds, gross weight, unless otherwise provided.</p> <p>(b) The term "measurement ton" means forty (40) cubic feet. Measurement tons may be based on ship's manifest or computed by using the full outside dimensions on all sides of the package.</p>
55	Unitized Cargo	<p>Cargo secured to pallets, platforms or skids, when the individual component shipping containers are banded or otherwise securely held together to form a single unit that has been prepared by the shipper, in order to facilitate handling, and which can be handled with mechanical equipment. The weight of the pallets, platforms or skids will be excluded when computing the weight on which cargoes are assessed.</p>
60	Vans (Cargo Vans)	<p>Cargo vans as used in this tariff are fully enclosed containers or vans which are to be used for the purpose of containing packaged, loose or bulk articles for transportation by water and may be collapsible, rigid or mobile and have not less than 70 cu. ft. of space set up.</p>

DOCKAGE – RULES AND REGULATIONS

Item	Term	Application
280	Definition Of Dockage	Dockage is the charge assessed against a vessel for berthing at a wharf, pier, or bulkhead structure, or bank, or for mooring to a vessel so berthed.
285	Basis For Computing Dockage Charges	<p>(1) Dockage shall be based on the overall length of the vessel as shown in Lloyd's Register. If length is not shown in Lloyd's Register, the ship's Certificate of Registry showing length of vessel will be accepted.</p> <p>(2) Vessels for which the overall length is not available in either Lloyd's Register or the Certificate of Registry named in paragraph (1) of this Item, shall be measured at the direction of the Port Director. When necessary to measure a vessel, the linear distance in feet shall be determined from the most forward point on the bow of the vessel to the aftermost part of the stern of the vessel, measured as parallel to the base line of the vessel.</p> <p>(3) Dockage rates are per 24 hour day, or fraction thereof.</p> <p>(4) When a vessel changes its position from an outside berth to an inside berth, or vice-versa, or otherwise changes its status so that it would be liable to pay dockage at a different dockage rate, the dockage due under the changed status shall be assessed from the time such change takes effect; provided, however, that where the change in status occurs within a 24 hour period, the total charge for said 24 hour period shall be the higher dockage of either status.</p> <p>(5) Vessels on regular daily schedules leaving from and returning to the wharf shall not be assessed more than one full day's dockage in any 24 hour period.</p>

DOCKAGE – RULES AND REGULATIONS

Item	Term Dockage Period	Application
290		<p>(a) Dockage shall commence upon a vessel when made fast to a wharf, pier, seawall structure or bank, or mooring to a vessel so berthed, and shall continue until such vessel is completely freed from and has vacated the berth.</p> <p>(b) No deductions shall be made for Sundays, Holidays, or on account of weather conditions.</p> <p>(c) To encourage more daytime transits of the Stockton Ship Channel, vessels arriving prior to 2200 hours which commence cargo operations the following day, shall be granted free dockage for either the period of time between their arrival and the start of cargo operations, or 0800 hours, whichever occurs first.</p>
300	Application Of Dockage Rates And Charges	<p>(a) Except as otherwise provided, dockage charges shall be assessed against all vessels in all trades at the full dockage rates provided in Item No. 315.</p> <p>(b) One-half of the full dockage shall be assessed against all vessels, except inland waterway vessels, when berthed off shore of a vessel that is paying full dockage.</p> <p>(c) Application of Increased Dockage Rates.</p> <p>Where the vessel berths prior to 12:00 o'clock midnight preceding the effective date of an increase in rates, dockage for the first 24 hours shall be computed at the rate in effect prior to the increase. The rate to be applied thereafter shall be the increased full or half dockage rate.</p> <p>In the case of a vessel relinquishing its berth after 12:00 o'clock midnight of the date on which the increased rates became effective, the full dockage or half dockage rate to be applied shall be the rate which was applicable at the start of such 24 hour or 12 hour period.</p> <p>(d) Ocean carriers calling at port wharves on a monthly basis under a marine terminal services agreement shall receive a 20% discount off the full dockage rates in Item 315.</p> <p>(e) Ocean carriers calling at port wharves on a weekly basis under a marine terminal services agreement shall receive a 50% discount off the full dockage rates in Item 315.</p>
310	Vessels Moving From One Wharf To Another Or Returning To The Same	<p>When a vessel is charged or has paid dockage at a public wharf for any 24 hour day, such vessel may use any other wharf during that day without further similar charge, no matter how often such vessel may leave and return, provided such other wharf is on Stockton Channel or Turning Basin or is east of the Turning Basin.</p>

TERMINAL TARIFF NO. 5

SECTION IV WHARF DEMURRAGE AND STORAGE - RULES AND REGULATIONS

Item	Subject	Application
375	Definition Of Technical Terms	<p>(a) WHARF DEMURRAGE: Is the charge assessed against cargo not declared and accepted for Storage remaining on the facilities covered by this tariff beyond the free time period allowed.</p> <p>(b) WHARF STORAGE: The charge assessed after the expiration of free time for storage on cargo which has been declared and accepted for Daily or Monthly Storage.</p> <p>(c) FREE TIME: Is the specified number of days or part thereof during which cargo may occupy terminal facilities before being subject to Wharf Demurrage or Storage charges.</p>

380	Free Time Periods	<ol style="list-style-type: none"> The free time allowed for assembling outbound cargo shall commence at the first midnight following the unloading of cargo from barges, cars, vessels, or vehicles. The free time allowed for removing inbound cargo shall commence at the first midnight following the date vessel completes discharging of cargo. Free time terminates at midnight of the final day of the free time period or upon removal of the cargo from wharves whichever occurs first. The days during the loading or discharging operations of the vessel shall not be counted as wharf demurrage days on cargo actually loaded to or discharged from such vessels.
-----	----------------------	---

Unless otherwise provided, the free time periods allowed, exclusive of Saturdays, Sundays and holidays, shall be as follows:

<u>TRADE</u>	<u>INBOUND</u>	<u>OUTBOUND</u>
Inland Waterway	5 days	5 days
Coastwise	5 days	5 days
Intercoastal	5 days	10 days
Foreign and Offshore N.O.S.	7 days	10 days

Cargo transshipped between vessels involving a long and short free time period shall be allowed the longer free time period but in no case shall such freight be allowed the aggregate of the inbound and the outbound free time periods.

SECTION IV WHARF DEMURRAGE AND STORAGE - RULES AND REGULATIONS

Item	Subject	Application
380	Free Time Periods (Cont'd)	<p>Exception No. 1:</p> <p>Outbound merchandise may remain on the wharves, premises or facilities of the Port of Stockton at the owner's risk at no charge for a period of time not to exceed ten (10) working days beyond the allowable free time if the vessel for which the cargo was originally intended is unable to call as scheduled. At the conclusion of this period wharf storage rates are automatically applied.</p> <p>5. <u>Assembly Time</u>: Upon Shipper's/Consignee's request and subject to terminal space availability, the Port Director may grant time of up to 20 days exclusive of Saturdays, Sundays and Holidays beyond the regular free time allowance provided for in this Tariff for assembling cargo lots aggregating 200 revenue tons or more which constitutes an export/import shipment for loading or unloading from a specifically named vessel.</p>

(7-1)

381	Storage Under Strike Conditions	<p>Cargo which cannot be removed from the port due to a general water front strike of five calendar days or more, or work stoppage of water front labor engaged in handling cargo which curtails port operations for five calendar days or more, will be subject to the following:</p> <p>(a) <u>Cargo on Free Time</u>: Strikebound cargo will be continued on free time until the maximum free time allowed under this tariff has expired. Exception No. 1 of Item 380 will not be applicable in the computation of free time under the provisions of this item. Upon expiration of free time, storage charges will be assessed under the provisions of paragraph (b) of this item. Receiving and Delivery charges will not apply on strikebound cargo entering storage from free time.</p> <p>(b) <u>Cargo on Demurrage or Storage</u>: Cargo on Demurrage, Daily Storage, or Monthly Storage will be subject to either Daily or Monthly Storage under the storage rates in this Section, whichever results in the lowest charge during any calendar month in which the strike is in effect.</p> <p>(c) <u>Charges Applicable After Strike Ends</u>: Strikebound cargo remaining on hand the first day of the first calendar month following the end of the strike will be subject to Daily Storage, unless prior arrangements have been made with the Port for Monthly Storage.</p>

SECTION IV WHARF DEMURRAGE AND STORAGE - RULES AND REGULATIONS

Item	Subject	Application
385	Application Of Rates (Subject to Note 1)	<p><u>WHARF DEMURRAGE</u>: At the expiration of free time, the wharf demurrage rates shown in individual items of this tariff will apply on cargo remaining on terminal premises, unless and until arrangements for storage have been made with the Port of Stockton.</p> <p><u>WHARF STORAGE</u>: Acceptance of freight for storage is at the option of the Port of Stockton. When conditions permit the acceptance of freight for storage, freight may remain where already placed, or may be moved and stored elsewhere on terminal facilities.</p> <p>(a) Daily Storage:</p> <p>(1) Daily storage applies for a 24 hour period, or fraction thereof, commencing with midnight of one day to midnight of the following day and includes Saturdays, Sundays and holidays.</p> <p>(2) Cargo that has been accepted for daily storage can later, at the option of the Port of Stockton, be accepted for monthly storage effective with the date of acceptance for monthly storage. Cargo accepted for monthly storage cannot be reverted to daily storage.</p> <p>(b) Monthly Storage:</p> <p>(1) Except as otherwise provided in paragraph (2) hereof, monthly storage periods shall extend from a date in one calendar month to but not including the same date of the next and all succeeding calendar months, but if there be no corresponding date in the next succeeding calendar month it shall be extended to and include the last day of that month. When the last day of the final storage month falls on Sunday or a Legal Holiday the storage month shall be deemed to expire on the next succeeding business day.</p> <p>(2) Upon agreement between the terminal and the owner of the cargo or his agent monthly storage charges will not be computed under the provisions of paragraph (1) hereof but will, instead; be computed on the first of month balance system as follows:</p>

SECTION IV WHARF DEMURRAGE AND STORAGE - RULES AND REGULATIONS

Item	Subject	Application
385	Application Of Rates (Subject to Note 1) (Cont'd)	<p>(a) When the storage period commences on or before the fifteenth day of the month, a full month's storage shall be assessed for that month. A full month's storage shall be charged on the cargo on hand on the first day of the following month and for each succeeding month thereafter.</p> <p>(b) When the storage period commences after the fifteenth day of the month, storage charges for one-half month shall be assessed for that month. A full month's storage shall be charged on the cargo on hand on the first day of the following month and for each succeeding month thereafter.</p>

NOTE 1: Rates provided in this section will not apply on cargo described as "In Bulk or Bulk" (as described in Item No. 10) handled mechanically through specialized facilities.

390	Minimum Charge	<p>(a) <u>WHARF DEMURRAGE</u>: The minimum charge shall be \$133.03</p> <p>(b) <u>DAILY WHARF STORAGE</u>: When cargo is stored on a daily storage basis for a period of less than five (5) days, a minimum of five (5) days storage will be assessed, at the rates shown in individual items, subject to a minimum charge of \$133.03 per month or fraction thereof for each invoice issued.</p> <p>(c) <u>MONTHLY WHARF STORAGE</u>: The minimum storage charge shall be \$133.03 per month or fraction thereof.</p>
-----	----------------	--

400	Merchandise Remaining On Facilities Beyond Free Time	<p>The Port of Stockton may at its discretion allow freight remaining on hand after the expiration of free time and freight shut out at clearance of vessel to remain where situated to be piled or repiled to make space, to be transferred to other location or terminal facilities, or to be removed to public or private warehouses, with all expense and risk of loss and damage for the account of the owner, shipper, consignee, carrier, or terminal operator, as responsibility may appear.</p>

883	Oil Spill Response Fee

DEFINITIONS OF SERVICE RENDERED

In compliance with the Lempert-Keene-Seastrand Oil Spill Prevention and Response Act of 1990, effective July 1, 1991 the Port of Stockton is required to assess an oil spill response fee of \$0.25 per barrel, as follows:

- (1) For each barrel of petroleum products received at its marine terminal by means of vessel from a point of origin outside the state of California.
- (2) For each barrel of crude oil that is transported from within the state of California by means of marine vessel or barge to a destination outside this state.

The fee will be assessed and collected from the beneficial owner of the cargo or other responsible party, as the case may be.

For purposes of this part a barrel is defined as either 42 gallons (US) or 158.987 liters (Metric).

SECTION VII

EQUIPMENT RENTALS

Item	Subject	Application
885	Rules And Regulations	<p>Port equipment shall be rented under the following conditions and charges:</p> <ol style="list-style-type: none"> 1. Port equipment is presumed to be in good operating condition when turned over to user, but the Port of Stockton does not warrant the mechanical condition thereof. The Port of Stockton will not be responsible for delays caused user by breakdown of equipment, by shutoff of electric current, or other causes. The Port of Stockton reserves the right to stop operation of the equipment at any time to require repairs that appear, in the opinion of the Port Director, to be necessary. 2. Port equipment turned over to user is under user's supervision, direction and control. User assumes sole responsibility and liability for injury to or death of any person whomever, or damage to or destruction of property, including employees and property of the Port of Stockton, incident to, arising out of, or caused by user's possession, use or operation of Port equipment. User shall at all times relieve, indemnify, protect and hold harmless the Port of Stockton and any and all of the members of its Board, officers, agents, representatives and employees from any and all judgments and expenses incurred in defending against legal actions, claims and liability for death of or injury to persons or damage to or destruction of property that may be in whole or in part incident to, arise out of, or be caused, directly or indirectly through negligence or otherwise, by the user's possession, use or operation of said Port equipment whether by user, its officers, agents, or employees, or by any person or persons acting with the knowledge and consent, express or implied of user. The use of Port equipment shall constitute acceptance and acknowledgment by the user of this liability and obligation. 3. Users shall not use or operate equipment so as to exceed the maximum rated capacity. 4. Except as may be provided by any agreement, normal repair and maintenance of equipment shall be performed by the Port of Stockton, however, the Port does not warrant the condition thereof. Such repair and maintenance shall not relieve a user of its obligation to inspect equipment to assure that it is fit and suitable for the use for which it is intended. User shall make an inspection prior to use and thereafter as often as is necessary to assure that the equipment is suitable for its intended use. User shall immediately notify the Port Director of any defect, whether actual or merely suspected.
