****IMPORTANT****

Please allow up to seven (7) business days for the Port to process requests for the use of UAS from port property and be aware that the process will not begin until all required documentation has been submitted.

Also note that meeting all qualifications required of a Remote Pilot does not guarantee that permission to takeoff/liftoff/launch/land a UAS from Port property will be granted. Port of Stockton reviews applications on a case-by-case basis and consents to or denies requests based on location conditions and agency guidelines.

Please scan and submit this completed form, along with all accompanying documentation and send to the Port of Stockton Police Department at: pdpermits@stocktonport.com
