SUBJECT: Pilot Commission for Captain Jason Vogel

REQUESTED ACTION

Approval of a Pilot Commission for Captain Jason Vogel for the period commencing October 19, 2021 through June 30, 2022.

BACKGROUND

Annually, coinciding with the Port's fiscal year, the Board of Port Commissioners considers the approval of Stockton Port District Pilot Commission applications submitted by San Francisco Bar Pilot applicants. Commissioned Pilots provide pilotage services to and from New York Point and the Port of Stockton.

In the June 7, 2021 Board Meeting, the Board of Port Commissioners approved the Commissioning of 12 San Francisco Bar Pilots, with the effective dates of July 1, 2021 – June 30, 2022. Since the June 7, 2021 Board Meeting, the Board of Commissioners approved one applicant, Captain David Merritt, and the Port has received an application for a new Pilot Commission from San Francisco Bar Pilot Capt. Jason Vogel. Capt. Vogel has fulfilled all Pilot Commission application requirements.

STAFF RECOMMENDATION

Staff recommends that the Board of Port Commissioners approve Capt. Jason Vogel's Stockton Port District Pilot Commission application, granting him a Stockton Port District Pilot Commission effective for the period of October 19, 2021 through June 30, 2022.
